

DESCRIPTION

Chroma features colors in a singular size format. Its palette is composed of fourteen colors, each one building off the other, allowing you to create subtle or bold visual designs. The color intensities of the palette vary from soft, muted colors to the perfect neutrals, to bright, eye-catching colors. The singular size format features an irregular edge detail that is surprisingly contemporary. Chroma allows you to experiment with color and create some unique designs. You will be surprised with what you can create with Chroma.
