

DESCRIPTION

Juxtapose places two contrasting materials, wood and stone, side by side. The contrasting materials are illustrated with different textures and finishes. The linear grain of wood is accentuated with a honed finish, while the natural cleft stone has a flat matte finish. To further accentuate the juxtaposition of materials, the individual tiles have varying amounts of wood and stone aesthetics creating an interesting visual of irregular linear movement across a space.

COLORS

Anthracite

Rose

Green

Grey

Sand

White

Each colorway has 4 patterns/designs. Patterns/designs are randomly packaged in a box.

AVAILABLE SIZES

12"x37"

THICKNESS

9.3mm

FINISH

Matte/Honed Mix
