

MODERN PATCHWORK

Fractal. Eclectic. Contemporary.

Modern Patchwork porcelain tile encompasses a meticulously curated assortment of creative geometric patterns in a trend-worthy color palette. Create repetitious and harmonious visual rhythms for commercial designs. Prepare to transform any space into a statement of elegant eclecticism.

"Encaustic gives markmaking a dimension... additive/subtractive."

-Kay WalkingStick

Modern Patchwork can infuse any space with a modern, vibrant, slightly retro ambiance through its clever color schemes and designs. It's a modern twist on the timeless charm of patchwork design.

Patchwork has been around for centuries, and its appeal has never dwindled. It's a nostalgic throwback to simpler times when people would hand-stitch fabrics together to create cozy, warm blankets and garments. However, with the advent of modern technology and design, patchwork has taken on a new life. Modern Patchwork is all about new colorways, geometric patterns, and clean lines.
