

PULSATION GAUGED PORCELAIN

Pulsation Gauged Porcelain embraces shading, infusing design with a limitless visual dynamism. It generates a one-of-a-kind optical illusion, resulting in delicate, softly shaded backdrops that instill surfaces with graceful vibrancy. This intricate effect emerges from the interaction of two overlapping, slightly shifted grids, further enriched by blending three colors to attain each unique nuance.

Engaging in a harmonious exchange with the surrounding space. This alteration in appearance and perception engenders captivating atmospheres that evoke a sense of wonder.

"What we see depends mainly on what we look for."

~John Lubbock

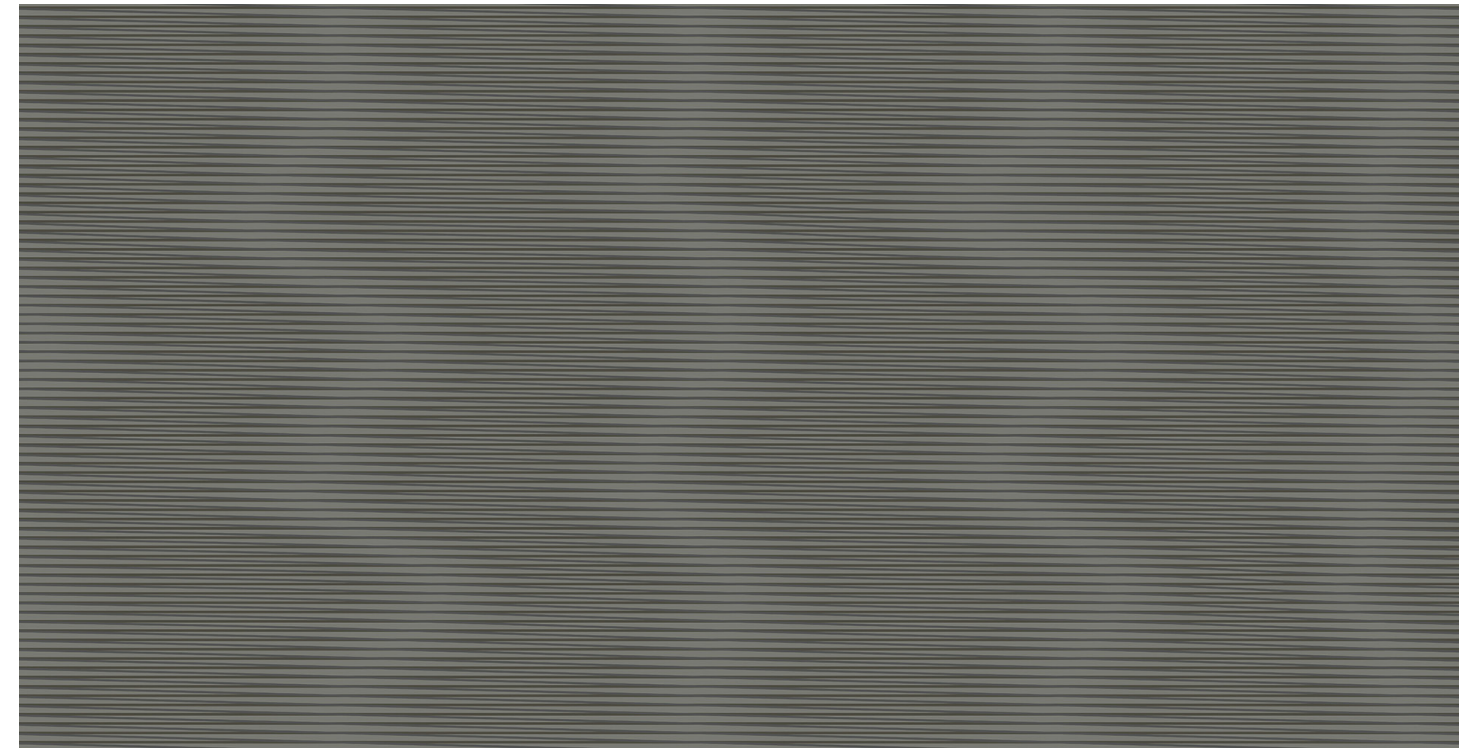

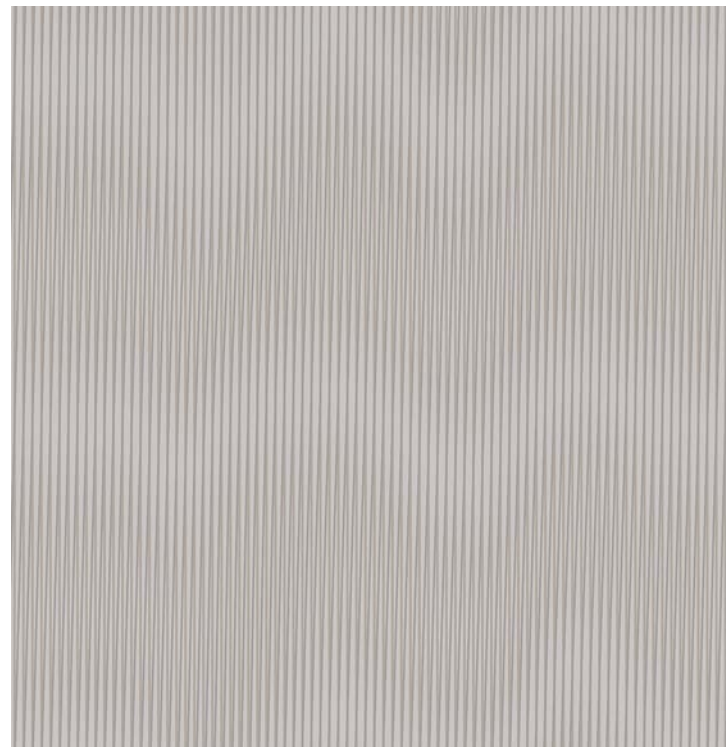

Abstract Blur

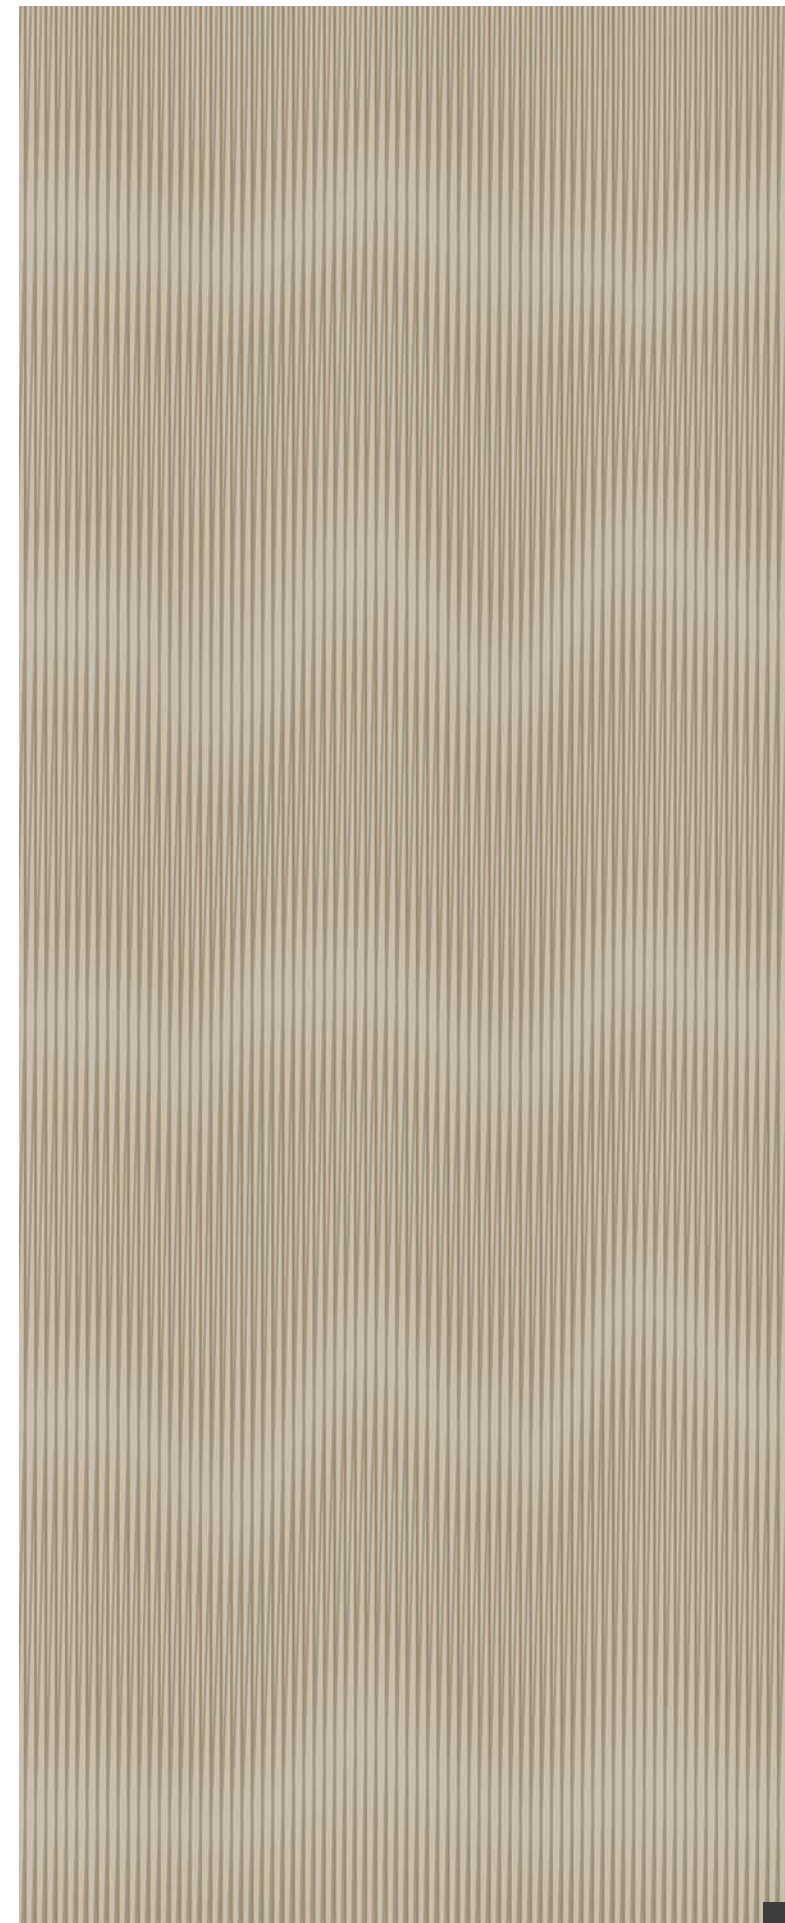

By layering two identical grids that are slightly offset at various angles, a special effect is achieved. This intentional design decision transforms what was once viewed as a graphic flaw into an artistic statement.

This alternate in appearance and perception engenders captivating atmospheres. It's an invitation to engage in a harmonious exchange with the space around you.
