

# SHALE

Shale porcelain tile captures the core character of slate - vibrant and ever-changing, yet always retaining its unique expressiveness. It serves as a universal canvas for creativity and innovation, adapting effortlessly to any setting while transcending temporal trends and design categories.

The genuine essence is captured in an adaptable and multifaceted collection, inviting multiple interpretations alongside diverse hues and textures to foster varied design projects and atmospheric moods.

## Shale /SHāI/ noun

soft, finely stratified sedimentary rock that formed from consolidated mud or clay and can be split easily into fragile slabs.
