TRANSVERSE

Transverse ceramic tile is a creative journey delving into materials, where form, color, and tactile hits emerge. The harmonious earthly color palette draws inspiration from nature. It reimagines the core of ceramics, offering designer surfaces that add depth and interest to commercial spaces.

"Color is a power which directly influences the soul."

-Wassily Kandinsky

Sticks & Mini Bricks

Delve into the fascinating realm that explores the complex interplay of materials and their interplay with light and shadow. A collection that testifies to the three-dimensionality of color, bringing depth and vivacity to designer surfaces like never before.
